

Equal Credit Opportunity Act (ECOA)

Introduction

The examination procedures in this section are primarily for the technical compliance review. Although the fair lending procedures are addressed under a separate section of the Compliance Examination Manual, findings from the technical review may aid the review for fair lending. These procedures should be conducted to ensure compliance with all sections of the subject regulation.

The Equal Credit Opportunity Act (ECOA) prohibits discrimination in any aspect of a credit transaction. It applies to any extension of credit, including extensions of credit to small businesses, corporations, partnerships, and trusts.

The ECOA prohibits discrimination based on

- Race or color,
- Religion,
- National origin,
- Sex,
- Marital status,
- Age (provided the applicant has the capacity to contract),
- The applicant's receipt of income derived from any public assistance program, or
- The applicant's exercise, in good faith, of any right under the Consumer Credit Protection Act.

The CFPB's Regulation B, found at 12 CFR Part 1002, implements ECOA. Regulation B describes lending acts and practices that are specifically prohibited, permitted, or required. Official staff interpretations of the regulation are found in Supplement I to 12 CFR Part 1002.

In January 2013, the CFPB amended Regulation B to reflect the Dodd-Frank Act amendments requiring creditors to provide applicants with free copies of all appraisals and other written valuations developed in connection with all credit applications to be secured by a first lien on a dwelling. This amendment to Regulation B also requires creditors to notify applicants in writing that copies of all appraisals will be provided to them promptly.

Providing appraisals and other valuations – 12 CFR 1002.14(a)(1)

Regulation B requires that creditors provide applicants with a copy of all appraisals and other written valuations¹ developed in connection with an application for credit to be secured by a first lien on a dwelling. A creditor shall provide the copy of each such appraisal or other written valuation promptly upon completion, or at least three business days prior to consummation of the transaction (for closed-end credit) or account opening (for open-end credit), whichever is earlier.

An applicant may waive the timing requirement and agree to receive any copy at or before consummation or account opening, except where otherwise prohibited by law. Any such waiver must be obtained at least three business days prior to consummation or account opening, unless the waiver pertains solely to the applicant's receipt of a copy of an appraisal or other written valuation that contains only clerical changes from a previous version provided to the applicant or other written valuation provided to the applicant three or more business days prior to consummation or account opening. If the applicant provides a waiver and the transaction is not consummated or the account is not opened, the creditor must provide these copies no later than 30 days after the creditor determines consummation will not occur or the account will not be opened.

Disclosure – 12 CFR 1002.14(a)(2)

A creditor shall mail or deliver a notice in writing of the applicant's right to receive a copy of all written appraisals or valuations developed in connection with the application, no later than the third business day after the creditor receives an application for credit that is to be secured by a first lien on a dwelling. A special timing rule applies if an application for credit is not to be secured by a first lien on a dwelling at the time of application, but the creditor later determines that it will be secured by such a lien. In that case, the creditor shall mail or deliver the same disclosure in writing no later than the third business day after determining that the loan is to be secured by a first lien on a dwelling. If the disclosure required under 12 CFR 1002.14(a)(2) accompanies an application accessed by the applicant in electronic form, it may be provided in electronic form on or with the application form, without regard to the consumer consent or other provisions of the E-Sign Act. (15 U.S.C. 7001 et seq.). See 12 CFR 1002.4(d)(2).

Reimbursement – 12 CFR 1002.14(a)(3)

A creditor shall not charge an applicant for providing a copy of appraisals and/or other written valuations, but may require

¹ Regulation B defines a valuation as "any estimate of the value of a dwelling developed in connection with an application for credit." 12 CFR 1002.14(b)(3). Additionally, examples of valuations can be found in the Official Interpretations of Regulation B at 1002.14(b)(3)(1)(i) – (v).

V. Lending — Equal Credit Opportunity Act

applicants to pay a reasonable fee to reimburse the creditor for the cost of the appraisal or other written valuation unless otherwise provided by law.

Withdrawn, Denied, or Incomplete Applications – 12 CFR 1002.14(a)(4)

The requirements to provide copies of appraisals and other written valuations developed in connection with an application for credit to be secured by a first lien on a dwelling apply whether credit is extended or denied or if the application is incomplete or withdrawn.

Copies in Electronic Form – 12 CFR 1002.14(a)(5)

Required copies of appraisals and other written valuations may be provided to the applicant in electronic form, subject to compliance with the consumer consent and other applicable provisions of the Electronic Signatures in Global and National Commerce Act (E-Sign Act) (15 U.S.C. 7001 *et seq.*).

Examination Procedures

- Examiners must review compliance with these provisions in all compliance examinations that include review of bank loan files, and they may elect to do so as part of a regular, scheduled supervisory activity that includes a review of fair lending risk.
- Examiners should use copies of the technical compliance checklist to review in detail approved and denied consumer, business, and residential real estate files. If there appear to be any technical violations in those files, the violations should be written up and discussed with management. The examiners should maintain one

master checklist to note any observed recurrence of the violations which would aid a comparative file review (if there is one).

Technical Compliance Checklist

The worksheet beginning on the following page can be used to review audit workpapers, evaluate bank policies, perform transaction testing, and assess training as appropriate. Complete those aspects of the worksheet that specifically relate to the issue being reviewed, evaluated, or tested, and retain those completed sections in the workpapers.

When reviewing audit or evaluating bank policies, a “No” answer indicates a possible exception/deficiency and should be explained in the workpapers. When performing transaction testing, a “No” answer indicates a possible violation and should be explained in the workpapers. If a line item is not applicable within the area you are reviewing, simply indicate “NA.”

Underline the applicable use:

- Audit
- Bank Policies
- Transaction Testing
